

3.2 UI / Wireframe Design using Figma

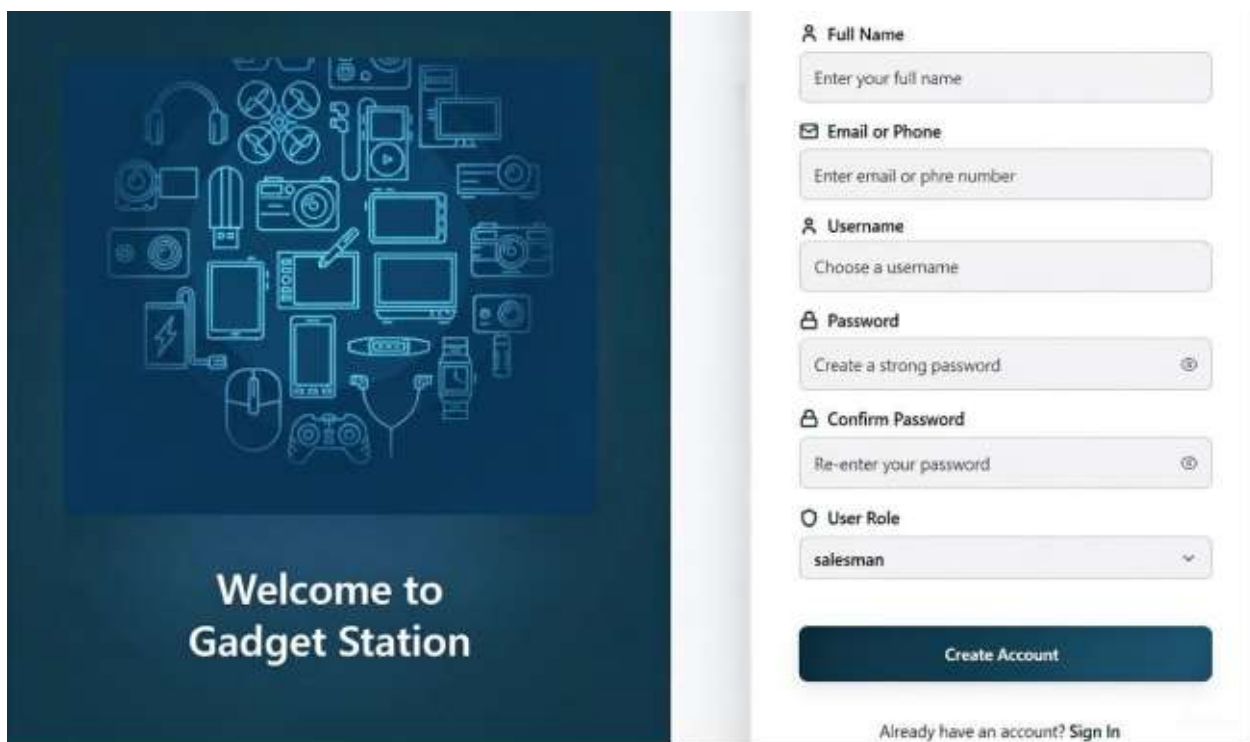

UI Wireframe:

The wireframe shows a registration form on the right side of a dark blue background. The background features a collection of white line-art icons representing various electronic devices and accessories, including headphones, a drone, a camera, a monitor, a smartphone, a tablet, a laptop, a mouse, a game controller, a USB drive, a power bank, a smartwatch, and a camera lens. Below the icons, the text "Welcome to Gadget Station" is displayed in a white, sans-serif font.

The registration form on the right includes the following fields and elements:

- Full Name:** A text input field with a person icon and placeholder text "Enter your full name".
- Email or Phone:** A text input field with an envelope icon and placeholder text "Enter email or phre number".
- Username:** A text input field with a person icon and placeholder text "Choose a username".
- Password:** A text input field with a lock icon and placeholder text "Create a strong password".
- Confirm Password:** A text input field with a lock icon and placeholder text "Re-enter your password".
- User Role:** A dropdown menu with a circle icon and the text "Admin".
- Create Account:** A dark blue button with white text.
- Sign In:** A link with the text "Already have an account? Sign In".

This wireframe is identical to the one above, but the 'User Role' dropdown menu is set to 'salesman' instead of 'Admin'. The background and 'Welcome to Gadget Station' text remain the same.

The registration form on the right includes the following fields and elements:
